Important Notes:

- Upgrades and changes to services (including relocation of data and voice services) may require the cancellation of existing services and the separate provisioning of new (replacement) services. In either instance, is the customer's responsibility to submit the cancellation request for the old service when required. Please confirm with your Account Manager if you are unsure of this process.
- In line with the terms of your contract, the cancellation of this service may result in a termination fee which your Account Manager will be able to advise on.
- Execution of tasks related to the Transition Out of Managed Services, are considered Out of Scope and will be charged on a Time and Materials basis. These tasks include but are not limited to: Removal\Disablement of Monitoring Tools\Agents, Export of Biki Knowledgebase and Update of Brennan Internal Toolsets.
- Refer to the full contract Terms and Conditions for each service that you require to be cancelled.
- It is the customer's responsibility to organise return of routers and any other equipment to the nearest Brennan IT office as indicated below:
